Summary

About this Release

Data by Region is an application on the ABS website that enables clients to search, browse, explore to find statistics about different regions in Australia. Available statistics are arranged under the broad themes of People, Economy, Industry, and Energy and Environment.

With this release, data for 2008-12 will be available for Local Government Areas, Australian Statistical Geography Standard regions (Statistical Areas 2, 3 and 4, and Greater Capital City Statistical Areas), States/Territories and Australia.

Updates will be released regularly as new data is incorporated, functionality develops and new regions are supported.

Explore the data in Data by Region.
